## **2009 was a good year for MT Højgaard**

MT Højgaard delivered revenue of DKK 9.1 billion and profit before tax of just over DKK 300 million in 2009. This corresponds to a pre-tax margin of 3.4% compared with 3.2% in 2008.

The outlook in our latest interim financial report was revenue of approx. DKK 9 billion and a pre-tax margin of approx. 3%.

The improved financial performance reflected, in particular, the fact that several large projects developed more positively than expected.

According to plans, the 2009 annual report will be published on 24 March 2010. The annual report will include the outlook for 2010.

The reason for MT Højgaard's profit announcement is today's announcement from Monberg & Thorsen A/S.
